

Chapter 7: Find a trade.

Using the concepts from chapters 1 through 6, find three companies that you like on a fundamental basis.

A. _____ Ticker Symbol _____

B. _____ Ticker Symbol _____

C. _____ Ticker Symbol _____

Now, using your new technical skills, define in a price chart the times that would have been good to buy and sell these issues. Perhaps printing off a Screen Print of your chart would be a fun exercise to actually draw in your decision points.
